Dear Father, Dear Son: Two Lives... Eight Hours
Synopsis

Stunning ... a wonderful read ... a page-turner ... a handbook for life." Those words of advance praise from another celebrated author scarcely convey just how powerfully mesmerizing is the latest book by New York Times best-selling author and nationally syndicated radio talk show host Larry Elder. Dear Father, Dear Son is a personal memoir of Elder's troubled one might even say tortured relationship with his father, and the astonishing outcome that develops when Elder, at long last, confronts him. Says Elder: "A man's relationship with his father every boy, every man lucky enough to have a father in his life has to figure that out. My own father? I thought I knew him even though he seldom talked about himself. And what I knew I hated really, really hated. Cold, ill-tempered, thin-skinned, my father always seemed on the brink of erupting. Scared to death of him, I kept telling myself to find the courage to 'stand up to him.' When I was fifteen, I did. After that, said Elder, "We did not speak to each other for ten years. And then we did for eight hours. The result can't be described. It has to be experienced. As reflected in the book's subtitle Two Lives ... Eight Hours one extraordinary, all-day conversation between Elder and his long-estranged father utterly transformed their relationship. It is no exaggeration to say the book will likewise transform readers.
