Your Kid's A Brat And It's All Your Fault: Nip The Attitude In The Bud--from Toddler To Tween
In this wise and hilarious parenting book, Elaine Rose Glickman tells parents that “when it comes to their bratty kids the buck stops with them!” You’ve seen them—kids running wild through restaurants while the parents avert their gaze and order another cappuccino. You’ve heard them—kids telling their parents to “shut up” and “get me that.” You’ve met them—kids who dress inappropriately and roll their eyes and never say “thank you.” Maybe one of those kids belongs to you. Combining incisive commentary with grounded, practical advice, Your Kid’s a Brat and It’s All Your Fault will have you recognizing and laughing at yourself, your fellow parents, and a culture that seems determined to turn our precious angels into not-so-precious brats. Divided into three sections—Your Budding Brat for toddlers and preschoolers, Your Bratty Child for grade-schoolers, and Your Bratty Tween—this book is packed with wisdom and tips culled from the trenches of child-rearing. Your Kid’s a Brat and It’s All Your Fault will not only help you grow adept at responding to specific misbehaviors, but also will encourage and empower you to become the confident, respected parent you yearn to be.

**Customer Reviews**

Oh boy! A parent shaming book. She engages in watered down advice such as "Stop whining or go sit in your room with the door closed." Any psychologist worth their salt will tell you that a child’s room should never be a place of punishment. Other advice in this book is similarly ludicrous. This book will take you down a poor parenting path.
Great eye opener with many new tools to use and guess what.....they have worked!

My kids are perfect. (with some minor problems that this book clearly identifies and I'm fixing now). Loved it.

Funny though not as helpful for new strategies. Enjoyable over a bottle of wine.
