Pygmalion And Candida

Synopsis

Pygmalion is a play by George Bernard Shaw, named after a Greek mythological character. It was first presented on stage to the public in 1912. Professor of phonetics Henry Higgins makes a bet that he can train a bedraggled Cockney flower girl, Eliza Doolittle, to pass for a duchess at an ambassador's garden party by teaching her to assume a veneer of gentility, the most important element of which, he believes, is impeccable speech. The play is a sharp lampoon of the rigid British class system of the day and a commentary on women's independence. Candida, a comedy by George Bernard Shaw, was written in 1894 and first published in 1898, as part of his Plays Pleasant. The central characters are clergyman James Morell, his wife Candida and a youthful poet, Eugene Marchbanks, who tries to win Candida's affections. The play questions Victorian notions of love and marriage, asking what a woman really desires from her husband. The cleric is a Christian Socialist, allowing Shaw-himself a Fabian Socialist-to weave political issues, current at the time, into the story.

Book Information

Leather Bound: 169 pages

Publisher: Easton Press; Collector's Edition edition (2004)

Language: English

ASIN: B000FIWV04

Product Dimensions: 10.8 x 7.7 x 1.3 inches

Shipping Weight: 2.4 pounds
