Ancient Mediterranean Civilizations: From Prehistory To 640 CE

Synopsis

Challenging the stereotypes and myths that typically characterize students' understanding of antiquity, *Ancient Mediterranean Civilizations: From Prehistory to 640 CE, Second Edition*, focuses on continuity and connections, along with cultural diffusion and cultural diversity, to show how history is a cumulative process and that numerous similar themes recur in different times and places. The text also explores sensitive issues and debates including attitudes toward race, ethnicity, and tolerance; gender issues and roles; slavery; social mobility; religion; political evolution; the nature of government; and imperialism.
