The Baby Name Wizard, Revised 3rd Edition: A Magical Method For Finding The Perfect Name For Your Baby
A fully revised and updated version of the classic baby name guideAfter the initial joy of discovering a pregnancy, the question every mom- or dad-to-be asks is inevitably: What will I name my baby? There's no shortage of names to choose from, and the task can be overwhelming. Enter The Baby Name Wizard. Since its original publication in 2005, The Baby Name Wizard has used groundbreaking research and computer-generated models to pinpoint each name's image, examine its usage and popularity over the last one hundred years, and suggest other promising ideas. A completely revised and updated guide to the modern world of names, The Baby Name Wizard is the only tool parents need to discover the perfect name.

**Customer Reviews**

I'm not planning on spawning for several years, but I absolutely love reading about baby names, thinking about baby names, and planning what I would name a child if the stork were to drop one off suddenly. (Yes, this is slightly strange; yes, it freaks my partner out a bit). If you share my hobby--or, you know, if you are actually planning to have a baby and aren't sure what to name it--this book will be invaluable to you.Wattenberg doesn't list name "meanings" (which, let's be honest, are often apocryphal and contradictory); instead each of her name entries indicates the popularity of the name in question, its pronunciation(s), common nicknames and variants, a note about the name, a note about popular associations with the name, and, crucially, what "style" the name is and what sibling names would pair well with it. As far as I'm aware these last two features are unique to the
Baby Name Wizard. For example, the entry for Hugo looks like this:

Hugo (HYOO-goh)

Popularity: #439 [there is also a small graph showing its popularity from 1880 to today and indicating its peak rank attained and year]

Styles: Ladies and Gentlemen, French, Latino/Latina

Nicknames:

Huey

Sisters: Lola, Ivy, Astrid, Phoebe, Luna, Thea

Brothers: Oscar, Bruno, Felix, Xavier, Milo, Hector

For most of the 20th century, Hugo was relegated to the dust heap with Amos and Buford. Eventually, though, parents brushed off the dust and discovered a funky, charismatic classic. In its native France, this long-neglected name has skyrocketed.
