**Synopsis**

This much-needed colorectal cancer resource is developed in consultation with a large national team of experts and endorsed not only by the American Society of Colon and Rectal Surgeons but also by the National non-profit the Colon Cancer Alliance. As with all of the Be a Survivor resources this book features candid testimonials by survivors. It is straightforward, easy-to-understand and contains objective and up-to-date information. The beautiful color photos and graphics enhance the learning process. Most importantly the book leaves the reader with a message of hope. The book addresses each step in the diagnosis, staging, treatment and recovery process and includes a chapter on end-of-life issues, and a section specifically for the patientâ€™s partner or caregiver.
