How To Write Bar Exam Essays: Strategies And Tactics To Help You Pass The Bar Exam

Synopsis

A must read for any bar exam student! Everyone seems to have one part of the bar exam that they dislike more than the others. For some, it is the MBE; for others, the performance test. But, based on surveys of my Bar Exam Mind blog readers, the majority of bar exam students have the most trouble writing bar exam essays. This book provides a systematic and uncomplicated approach to learn how to write passing bar exam essays. In addition to being systematic, this book is also a quick read. Most bar exam essay books are huge tomes that take days of struggle to get through. This is unfortunate because the most important thing you can do to ensure you will pass the essay portion of the bar exam is to practice writing essays. This book shows you how to practice the right way. How to Write Bar Exam Essays begins with a chapter discussing the right mindset for bar exam preparation. It is important to have the right mindset so you can handle the inevitable highs and lows you will encounter while studying for the bar exam. The next section of the book gets to the heart of the matter, discussing the four pillars of bar exam essay writing: (1) technical requirements; (2) issue spotting; (3) outlining and formatting; and (4) analysis. Each pillar has its own chapter, complete with examples. How to Write Bar Exam Essays includes a detailed discussion of practice strategy and scheduling to ensure that your practice time is well spent. You can follow this method to the letter or use it as a basis for creating a practice method that works best for you.

Customer Reviews

Great exercises to practice writing bar exams. Great tips and engaged learning took place from

using this book. Passed the bar and the stress is gone. It was nice to practice writing the essays and comparing them to the model answers, and getting some pointers along the way.

Matt Racine's book is short and to the point. He gets right to the strategy and does away with all the fluff. This book is easy to use as a play by play or week by week tool for bar prep.

This book is nothing but an infomercial about essay writing. One could say you-get-what-you-pay-for, but I am unable to see any value at all in this book. If you have attended any law school, correspondence/otherwise, you already know what is inside this book. So where are these other 5 stars coming from? Take a guess!

If you are like me and just failed the CA Bar Exam you're probably looking for something to help you write for the CA Bar exam. This book is not it. It has a couple of helpful hints but it doesn't go into depth on how to write for the exam.

Most of the information in this book is intuitive, but it bears repeating. The book is very short and notes the proper procedures for writing proper essays.

Loved the book and the fact that i was able to get the book in a matter of seconds made it even better. Thanks Guys

Quick, easy read that gives some straightforward advice for bar essay prep. It's really helped me focus.

This is a well presented step by step approach, without the needless fluff.
